Ancient Greece

(Grade 4)

This guide will assist you in finding information in the Memorial (Alliston), D.A. Jones (Beeton), and Pam Kirkpatrick (Tottenham) branches of the New Tecumseth Public Library (NTPL), and on the Internet.

When searching the NTPL catalogue, (www.ntpl.ca), use the subject headings **Greece** or **Greeks**.

When searching the Internet (try www.google.ca), use the keywords "**Ancient Greece**". Try combining your search terms to get more specific results. For example, if you are doing a project on technology in Ancient Greece, try "**Ancient Greece**" AND **technology**. Be sure to include the quotation marks.
