

# PROVINCES & TERRITORIES OF CANADA (Grade 4)

This guide will assist you in finding information in the Memorial [Alliston], D.A. Jones [Beeton] and Tottenham branches of the New Tecumseth Public Library and on the Internet.

When searching the NTPL catalogue ([www.ntpl.ca](http://www.ntpl.ca)), use the subject heading **Canada** and/or **Canada – Geography** and/or **Canada – Maps**. To find information on each province or territory, simply type in the name, followed by a hyphen and the word “juvenile”. For example, to find information about Ontario, type **Ontario – Juvenile** in the “subjects beginning with” search box.

Use the websites on the other side of this page to find further information about each province and territory including natural resources and the structure of provincial government.
